

Scope

This policy applies to all students assessed by Acumen Education against nationally recognised training products within the organisation's scope of registration. It covers the issuance of:

- **Issuance of AQF certification documentation**
- **Issue of VET qualifications and VET statements of attainment**
- **Records of AQF certification documentation and assessments**

This policy does not apply to non-accredited courses or training.

This policy applies to all staff at Acumen who are involved in the issuance of Certificates of Completion and Statements of Attainment to the students of Acumen.

Purpose

This policy establishes the principles and procedures for issuing nationally recognised Vocational Education and Training (VET) qualifications, statements of attainment, and records of results. It ensures that Acumen Education (Acumen) issues these credentials in a timely and accurate manner, only to students who have met the requirements of the relevant training product.

The policy supports Standard of the NVR Revised Standards for RTOs 2025, Compliance Standards - Division 2 – Integrity of Nationally Recognised Training Products, Part 2 Compliance Requirements - 9 Issuance of AQF certification documentation, 10 Records of AQF certification documentation and assessments and 11 Issue of VET qualifications and VET statements of attainment

All student record will be retained in accordance with the Australian Qualifications Framework

USI (Unique Student Identifier)	The unique number assigned to a student under the Student Identifiers Act 2014.

Policy

1. Issuance of AQF Certification Documentation

- Acumen Education only issues AQF certification documentation to students who have been assessed as competent in accordance with the relevant training product requirements.

- Where Acumen Education has assessed a VET student as meeting the requirements of the training product, AQF certification documentation will be issued within 30 calendar days from the completion of the assessment, provided the VET student:
 - (a) has completed the AQF qualification or completed one or more units of an AQF qualification from which they have subsequently withdrawn; and
 - (b) has paid to Acumen Education all agreed fees associated with the training product.
- Statements of Attainment are issued to students who have completed one or more units of competency from a nationally recognised qualification and have subsequently withdrawn.
- Records of Results are issued to accompany certificates or statements of attainment, listing all units of competency successfully achieved.

2. VET Qualifications and Statements of Attainment requirements

- **All VET qualifications issued must comply with the AQF Qualifications Issuance Policy and must include:**
 - The name, registration code, and logo of Acumen Education
 - The code and title of the AQF qualification
 - The NRT logo in accordance with the NRT Logo Conditions of Use policy
 - The signature of an individual authorised by Acumen Education to sign the qualification
 - Acumen Education's seal, corporate identifier, or unique watermark
 - The statement: "The qualification is recognised within the Australian Qualifications Framework", or an authorised AQF logo
 - The industry descriptor, occupational or functional stream, and any relevant apprenticeship or language statements as required
 - where the AQF qualification has been obtained by a VET student in the course of undertaking an Australian apprenticeship – the statement: "Achieved through Australian Apprenticeship arrangements"; and
 - where any part of the AQF qualification has been delivered in another language – the statement: "these units of competency/modules have been delivered and assessed in [insert relevant language]" followed by a list of all units of competency or modules that have been delivered in the relevant language.
- **All VET statements of attainment issued must comply with the AQF Qualifications Issuance Policy and must include:**
 - The name, registration code, and logo of Acumen Education
 - The full title and national code of each unit of competency or module
 - The NRT logo in accordance with the NRT Logo Conditions of Use policy
 - The signature of an individual authorised by Acumen Education to sign the statement

- Acumen Education's seal, corporate identifier, or unique watermark
- The statement: "A VET statement of attainment is issued by an NVR registered training organisation when an individual has completed one or more accredited units or modules"
- The relevant course or qualification code and title, and any language statements as required

11 Issue of VET qualifications and VET statements of attainment

 - g) where the units of competency form part of a VET course or qualification – the following statement: "These competencies form part of [code and full title of the relevant VET course or qualification]";
 - h) where the units of competency have been attained in the course of completing a VET course – the following statement: "These competencies were attained in completion of [VET course code] course in [full title of the VET course]"; and
 - i) where any of the units of competency or modules listed on the statement have been delivered in another language – the statement: "these units of competency/modules have been delivered and assessed in [insert relevant

language]" followed by a list of all units of competency or modules that have been delivered in the relevant language.

3. Unique Student Identifier Compliance

- All enrolling students must provide their USI, which is verified and recorded in the Myacumen Student Management System (SMS) at enrolment.
- Acumen Education verifies that any USI provided by a student belongs to that student before using it for any purpose.
- Acumen Education will not issue a VET qualification or statement of attainment to a VET student unless the student has been assigned a USI, except where an exemption applies.
- Acumen Education will not include any student's USI on a VET qualification or statement of attainment.
- If a student is granted an exemption under the Student Identifiers Act 2014, Acumen Education will inform the student prior to enrolment or commencement of training and assessment that:
 - Their training outcomes will not be accessible through the USI transcript system.
 - Their results will not appear on any authenticated VET transcript issued by the Student Identifiers Registrar.
 - USIs are securely recorded in the student's SMS profile, with access restricted to authorised staff.
 - The SMS is regularly backed up to a secure, remote data centre.
 - The Acumen Education server is housed in an electronically secured, monitored room accessible only to approved staff.

4. Authentication and Verification

- Acumen Education is responsible for the authentication and verification of all Statements of Attainment and Qualifications it issues.
- All AQF certification documentation must be authenticated and verified by the Operations Manager or CEO.
- Each document is stamped with the official Acumen seal and, where applicable, affixed with an embossed gold seal.
- These measures are taken to enhance the authenticity of the documentation and to minimise the risk of fraudulent reproduction or misuse.

5. Records and Reporting

- Acumen Education maintains a Qualification Issuance Register and Statement of Attainment Register in Myacumen and Acumen Drive in accordance with the AQF Qualifications Register Policy.
- Records of all AQF certification documentation issued will be securely retained for 30 years.
- Records of all assessments submitted by a VET student will be retained for 2 years after the student has completed the training product.
- VET students, including those previously enrolled, will be able to access copies of their AQF certification documentation upon request.

- Upon request from the National VET Regulator, Acumen will provide a report of all AQF qualifications and VET statements of attainment issued during the period specified.

6. Issuance Timeframe and Method

- Certificates, Statements of Attainment, and Records of Results will be issued within 30 calendar days of assessment completion, at no additional cost to the student.
- Both digital and hard copy certification formats will be available.

7. Fraud Prevention and Authentication

- All certificates and statements of attainment are issued with manually assigned unique document numbers.
- The Qualification Issuance Register and Statement of Attainment Register are maintained in Acumen Drive.
- Acumen management will ensure issuing staff use only the current version of the Qualification or Statement of Attainment template.
- All documents are reviewed for compliance by two trained staff members before authorisation.

8. Reissuance of Certification

- Any requests for the re-issuing of a lost or damaged Certificate of Completion or Statement of Attainment must be made in writing by the student.
- The request are processed within 5 working days.
- Reissued documents will be clearly marked as a reissue and include the original issue date.
- An administration fee applies for reissued documents, as advised to students prior to enrolment.

9. Cessation of Operations

- In the event Acumen Education ceases operations as an RTO, the Operations Manager will provide an electronic copy of all certification records to ASQA to enable reissuance by the regulator.

4. Procedure

4.1 Issuance of AQF Certification Documentation

1. Assessment Completion and Eligibility Check
