Purpose
Acumen Institute of Further Education under the ESOS Act 2000 and the National Code 2007 must have in place a policy and procedure for formalization of enrolment.

Scope
This Policy applies to all the students at acumen education and staff of acumen education that are involved in enrolments process.

Policy
This policy/procedure supports ‘Standard 3’ of the ‘National Code of Practice for Registration Authorities & Providers of Education & Training to Overseas Students 2007’ which states:

‘Written agreements between registered providers and students set out the services to be provided, fees payable and information in relation to refunds of course money.’

And

NVR Standards ‘SNR 16: The RTO adheres to principles of access and equity and maximises outcome for its clients’ which states

16.1 The RTO establishes the needs of clients, and delivers services to meet these needs.

16.3 Before clients enrol or enter into an agreement, the RTO informs them about the training, assessment and support services to be provided, and about their rights and obligations.’

23.5 ‘The NVR registered training organisation must meet the requirements for implementation of a national unique student identifier

The following procedures indicate the requirements of the enrolment agreement that is to be accepted prior to collecting course monies from students.
